

Lord of the Light Art Studio & Gallery

SUMMER ART CAMP

Lord of the Light Art Studio is where you can learn the fundamentals of fine art. We introduce an unique curriculum that is designed to bring out and develop our students' imagination and creativity. The summer art camp is a week long, fun filled learning experience that includes color theory and animation and much more! Also students will learn pencil drawing skills and how to use medias such as oil pastel, soft pastel and watercolor.

The improvement in your children's artwork this summer will let them experience freedom and bring a new love for art. Sessions are filling up on first come first basis. *Register now!*

Weekly program offers a unique curriculum called "Basic 1 through 14." This curriculum focuses on themes, media, color theory, and art history that brings the techniques visually for students to understand and experience the basics of fine art.

Our step by step curriculum is designed to improve the student's artistic skills from kindergarten up to high school, giving them the self confidence and the inspiration to further broaden their education in fine art.

Please call for an orientation to have a tour of our lovely studio and gallery. We will be happy to share what we offer!
